

Owensboro Catholic Elementary 4-6 Campus

March 29, 2010

Dear Parent,

In the next few weeks we will begin teaching the Benziger Family Life Program. This is the same program used in our school the last few years. It will take most teachers two weeks to teach the program.

The thrust of the Benziger Family Life program is to remove obstacles and to encourage growth of those natural qualities which lead to personal maturity.

The program focuses on five these at each grade level: (1) family living, (2) personal growth, (3) respect for life, (4) Catholic Christian sexuality, and (5) social living.

As we have in the past, boys and girls in 6th grade will be separated for the chapter study of the reproduction systems. Parents of 5th grade students please see the other letter sent home. I have asked the teachers to keep you fully informed as the proceeds through this program.

If you have any questions or wish to see the Family Life Program Text, please call the school office at 683-6989.

Below is a permission slip. Please indicate whether or not you wish your child(ren) to receive this instruction and return by Tuesday, March 30, 2010.

Thanks for your cooperation.

Tracy S. Conkright
